RE: 16-890 (LPS)

Please accept this letter of admission for a motion. For the above consolidated case can you please withdraw Carla Miller-Cooper as a defendant. After some recent transparency by DOC due to 17-1322 (LPS), I have discovered I have no grounds, in official capacity or otherwise to have her as one of the defendants.

Respectfully,

Also, if the prison starts meeting my religious needs suddenly, does my case get dismissed or can I withdraw a be waived the filing fee? For this case. And am I paying two filing fee's w/cases consolidated?
